HAVING FUN WITH TOY CAMERAS

The Art, Culture, and Science of Photography

## NATURE AND LANDSCAPES

Despite disturbing threats to our environment, the Earth still grants us breathtaking fauna, flora, and landscapes that offer tranquility to appease our rushed and sometimes complicated lives. A keen eye can translate that tranquility into an image that speaks volumes... perhaps loud enough to impact environmental issues.

## IMAGE INTERNATIONAL 2007 THE WINNERS ARE...

**7<sup>TH</sup> PRIZE**

LILY OF THE VALLEY ON GREEN #1, JUNE HUNTER, VANCOUVER, BC
